HAVING REGARD TO the decision of the Department of Geosciences made on 29/08/2017 which approved the establishing of 1 grants to carry out research activity related to the project titled "Deep Earth Volatiles Cycle: processes, fluxes and deep mantle metasomatization" at the Department of Geosciences acting as the Research Base.

IT BEING DEEMED EXPEDIENT to issue a selection announcement for the awarding of no. 1 research grants.

HEREBY DECREES

Art. 1 - Purpose

A selection announcement has been published for the awarding of 1 research grants for the research project entitled "Deep Earth Volatiles Cycle: processes, fluxes and deep mantle metasomatization" to be conducted at the Department of Geosciences under the supervision of Professor Manuele Faccenda, who is the Research Project Supervisor.

The research grant, which shall last for 24 months and be for a gross amount of 21.304,00 euro per annum, is issued in accordance with the current Regulations Governing Research Grant Awards and Art. 22 of Law no. 240/2010 for the aforementioned research project, in Scientific Area no. 04 - Earth Science and Scientific Sector and Discipline GEO/07 – GEO/10.

The purpose of this research grant, which is funded by project Budget Integrato per la Ricerca dei Dipartimenti - BIRD 2017, is to fund research into: during the first year the research activities will include the parametrization of the liquidus and solidus curves, and the compilation of database defining the water content (O-H system) in mafic and ultramafic rocks for all the mantle pressure and temperature conditions. Subsequently, these curves and databases will be testes with 2D petrological-thermomechanical models of subduction at a regional scale and as a function of the slab thermal structure, of the water content and of variations in rock physical properties. During the second year, the research project will include the extension of the same activities to C-O-H systems and to mantle convection at a global scale.

Art. 2 - Admissions requirements

The following are entitled to take part in this selection announcement:

- PhD graduates, or graduates with an Italian specialisation degree (*specialistica/magistrale*) or pre Italian-university-reform graduates (*vecchio ordinamento*) .

Candidates must have their degree by the selection announcement deadline.

Should the candidate's degree or PhD have been awarded abroad, then, for the sole purposes of this selection procedure, it must be declared to be the equivalent of an Italian specialisation degree (*specialistica/magistrale*) by a Selection Committee. Similarly, if the PhD has been awarded abroad, then it must have been conducted over a minimum of three years and, for the sole purposes of this

selection procedure, must be declared to be the equivalent of an Italian PhD by a Selection Committee.

In accordance with Art. 22 of Law no. 240 dated 30 December 2010, the Grant Holder may not be a permanent employee at the following universities, institutes and public research and experiment organisations: the Italian National Agency for New Technologies, Energy and Sustainable Economic Development (ENEA), the Italian Space Agency (ASI), the European University Institute, the *Scuola Normale Superiore di Pisa*, the *Scuola Superiore di studi universitari e di perfezionamento di Pisa*, the *Scuola internazionale superiore di studi avanzati di Trieste*, and the other Italian post-graduate schools that provide the equivalent of doctoral researcher courses.

The maximum period of time of research grant contracts awarded in accordance with Art. 22 of Law no. 240 dated 30 December 2010, including extensions, shall not exceed 6 years, excluding the time that coincides with the completion of a PhD and that is within the maximum legal time limit of the related course.

In accordance with Art. 18 of Law no. 240/2010, Research Grants may not be awarded to anyone who is related to or has an affinity with, up to and including the fourth degree of kinship, a professor or researcher working at the Department elected as "Research Base", or the Rector, Director General, or a member of the University Board of Governors.

Candidates shall be admitted to the selection procedure with reserve. The Department that published the selection announcement may at any moment, even after the examinations have been held, exclude candidates for not having the aforementioned requisites by reasoned order from the Head of the Department.

Art. 3 – Application

The candidate undertakes to notify the Administration of any changes to the contact details listed in the application form.

Art. 4 – Selection Procedure

Candidates are selected by a comparative evaluation of their qualifications, academic and professional curriculum vitae, publications and letter of presentations. Candidate applications shall be evaluated by a Selection Committee appointed by the Head of the Department; the Selection Committee shall comprise three members who are experts in the field of research, one of which, normally, shall be the Research Project Supervisor.

The Selection Committee has 100 points to evaluate the candidates and they shall be awarded for:

- **qualifications points 30:** degree, PhD, specialisation degree, postgraduate certificates (awarded in Italy and abroad). If a PhD or an equivalent qualification obtained abroad or, for relevant research areas, specialisation degrees in medicine together with adequate scientific production output, is not deemed compulsory, for ranking purposes these qualifications will be considered desirable.

- **the curriculum vitae points 20:** performance of documented research activity at public and private organisations with contracts, grants or appointments (both in Italy and abroad) relevant to research stated in this selection announcement.
- **Publications points 40:** including postgraduate dissertations (*Laurea Specialistica/Magistrale*) or PhD theses.
- **the recommendation letters points 10.**

At the end of the evaluation, the Selection Committee shall draw up a provisional ranking based on the total of the scores the candidates were awarded for each category.

To be included in the ranking, candidates must be awarded a minimum overall score of 50 points. In the event of a tie, preference will be given to the younger candidate.

The selection report and the provisional ranking shall be officially approved by a Rector's Decree and then published in the Official University Register.

Art. 5 - Entering into the agreement

Research grants are awarded with bespoke research activity agreements entered into with the Department that published the announcement.

An individual agreement will establish the successful candidate's specific tasks, rights and duties, assigned tasks and research activities, payable salary and social security

The Department shall notify the winner of the date by which he or she must enter into the agreement, under penalty of cancellation.

Should the agreement not be entered into by this date, the winner shall forfeit the right to the research grant. In the event of this, the second-placed candidate in the ranking shall be declared the winner.

Research activity may not be commenced before the winner has entered into the agreement, which shall normally come into force on the first day of the month after it was signed.

Should the winner be an employee of the Public Administration, then he or she must be placed on unpaid leave for the entire duration of this research grant.

The awarding of the research grant does not constitute subordinate employment nor does it entitle the Grant Holder to a permanent position at the University.

Grants shall be paid in deferred monthly instalments.

Art. 6 – Rights and Duties

The Grant Holder shall conduct his/her research activity personally and fully, which is of a flexible nature, with no set working hours, in a continuous and not merely occasional manner, autonomously within the limits of the programme or stage thereof as laid out by the Research Project Supervisor and in accordance with his/her general instructions.

The grants within this announcement may not be combined with other grants or with study grants of any other kind, unless they have been awarded by national or international organisations and involve trips abroad as part of the Grant Holder's research.

Grant Holders are not allowed to enrol in degree courses, specialisation degrees (*specialistica/magistrale*), funded PhDs or medical specialisations in Italy or abroad. Nor is holding a research grant compatible with enrolment at specialisation schools. An employee of the Public Administration must be placed on unpaid leave.

Art. 7 - Confidentiality and intellectual property

Should the Grant Holder come into contact with information or data covered by confidentiality agreements signed by the Department for which he/she works during the performance of his/her duties, then the Grant Holder hereby pledges to keep all of this information and data confidential.

Attribution of the right to register a patent for the inventions produced on the basis of any scientific research activity carried out with the facilities and funds of the University of Padua is generally governed by the University's Patent Regulations.

Art. 8 - Tax, social security and insurance

The grants within this present announcement are governed by a series of laws:

- Art. 4 of Law no. 476 dated 13 August 1984, for tax;
- Art. 2, paragraphs 26 and following of Law no. 335 dated 8 August 1995, plus subsequent amendments and additions, for social security;
- the Ministry of Labour and Social Security decree dated 12 July 2007 for maternity leave (see Official Gazette no. 247 dated 23 October 2007);

- and Art. 1 paragraph 788 of Law no. 296 dated 27 Decembre 2006, plus subsequent amendments, for sick leave.

The University shall provide insurance coverage for accidents and civil liability in accordance with the conditions stated in the policies taken out by the University.

Should the Grant Holder be sent on leave for official university business, then the costs shall be sustained by the Research Project Supervisor's funds, or by the Grant Holder from his/her research funds, or by the host organisation in accordance with the University Regulations Governing Leave for Official University Business.

Art. 9 - Verifying the Grant Holder's activity

The evaluation method, determined by the Board of the Department which publishes the selection announcement, comprises the following: at the end of the first year of research, the fellow must submit to the Head of department a written report of the first-year research activities as far as the project and the results achieved are concerned. This report, shall be accompanied by an opinion of the research Supervisor and will be evaluated by the host structure research Council.

Art. 10 - Final Provisions

For anything not specified within this present announcement, reference shall be made to the provisions of Law no. 240/2010, to the University of Padua's current Regulations Governing Research Grant Awards in accordance with Art. 22 of Law no. 240/2010, and to current law.

The University Administration reserves the right to verify a candidate's self-certifications and statutory declaration, in accordance with Italian Presidential Decree DPR 445/2000, at any stage of the procedure. If the aforementioned statements are found to be false, then the declarer shall forfeit any benefits that he/she may have gained from the false statements, without prejudice to any sanctions envisaged by the Italian criminal code or by special laws governed by Art. 76 of Italian Presidential Decree DPR no. 445/2000.

The person responsible for the selection process is the Head of Department, Prof.ssa Cristina Stefani.

Art. 11- Handling Personal Data

In accordance with Legislative Decree no. 196 dated 30 June 2003, it is hereby stated that any data provided, in print or electronic format, shall be handled and stored by the Department of
