

PHD COURSE in GEOSCIENCES						
Teaching activities 2020-2021	Mandatory	Lecturer	Hours	CFU	Date	Year
Seminars (minimum 12 during the three-years program)	yes		12	2	three years	
I semester 2020/2021						
The PhD student in the research world: Part I	yes	Di Toro	12	2	October19/November 9	2020
ABC Bibliographic research in Geosciences	yes	Furlani	10	1.7	November 18 – December 2	2020
Chemometrics: Experimental Design	yes	Leardi	30	5	November 18- 27	2020
II semester 2020/2021						
EBSD (electron backscatter diffraction)		Spiess	12	2	Postponed to March	2021
The PhD student in the research world: Part II	yes	Nestola	6	1	April 13	2021
Scientific English for Ph.D. Geosciences Students	yes	Borg	20	3.33	May-June	2021
Matlab for Students in Geosciences		Boschi/D'Alpaos	12	2	June	2021
I semester 2021/2022						
Specific courses					TBD	
Chemometrics: Multivariate Analysis	yes	Leardi	30	5	November	2021
